Introduction to Appraising Wine

February 1, 8, 15, 22 & March 1, 2017
Wednesdays, 6:00 - 8:00pm EST
Live Webinar

Don't let the winter get you down - spend your February learning about wine in this 5-week live webinar!

Add to the services available to your clients by broadening your knowledge of wine with this introductory course. Explore the current global trends and markets. What should you look for in an Estate appraisal with a vintage wine collection? And what do you need to be aware of when dealing with divorce settlements and insurance reports that include wine.

Each week students will be given an assignment to prepare for the following weeks class.

Learning Objectives:

- Learn about how wine is made, inventory, cellar requirements and U.S. standards
- Explore the factors that determine the value of wine
- Develop your understanding of what makes wine an investment, wine auctions and market futures
- Learn to read wine labels, and identify various countries & regions

This course will introduce students to the basic elements of wine appraising. It is not a prep course for the Appraisers Association Wine Certification Exam.

The Appraisers Association of America, established in 1949, is the premier association of personal property appraisers who focus on fine and decorative arts and general household contents. With a membership of over 700 independent appraisers in 100 different areas of specialization, who work with collectors, attorneys, accountants, museums, educational institutions, trusts, brokers and insurance carriers to deliver independent, ethical, and objective valuations for insurance, estate tax, charitable donation, equitable distribution, and liquidation purposes. All of our members are required to be certified according to the highest professional standards, known in the field as Uniform Standards of Professional Appraisal Practice, (USPAP).
